CAD BULLETIN NO. 2004-01

To: Electric and Gas Utilities

From: Derek D. Davidson, Director, Consumer Assistance Division

Subject: Cancellation of CAD Bulletin 89-9

CAD Bulletin 89-9 requires electric and gas utilities to submit monthly reports on a variety of statistics concerning applications for service, disconnections, and reconnections of service, with emphasis on the Winter Disconnection Period.

Since the CAD no longer needs this information, utilities may stop submitting the monthly reports outlined in CAD Bulletin 89-9. Thank you for the information you have provided over the years.

Please call me at (207) 287-1596 if you have any questions.
